

BRCC Responds to COVID-19

As we all strive to cope with the COVID-19 pandemic, we want you to know what BRCC is doing to preserve your booking, now and in the future.

First, as of March 17 the BRCC will be closed until March 31st. At that time we will re-assess the situation with regard to re-opening.

Before we closed BRCC staff were cleaning ALL common surfaces at least 3 times daily. We consulted with our local health department and enacted all recommended measures to keep our visitors safe. No one associated with BRCC has become ill so we feel our containment procedures have done the trick.

Before you decide to cancel you group's visit here, please call to discuss how we can manage your stay or re-book you to a future date.

During our temporary closure we are aggressively attending to many needed tasks, such as yard work, room painting, removing wallpaper, sidewalk repair etc. All of the things that we have said "We wish we had time to do that," are finally going to get completed.

We will notify you via email on schedule changes and our eventual opening. We will be ready with freshly cleaned rooms and good food for your visit.

Best wishes and good health,
Ted Wilson, Executive Director
